The Josip Juraj Strossmayer University of Osijek is today medium size university when compared to other European universities. Common goal is development of the University as a modern European institution of higher education, as a centre of excellence. The Josip Juraj Strossmayer University of Osijek participated in Tempus projects (JEP-16015-01, SCM COO7A05-2005) to achieve a high level of academic environments and develop the quality culture.

Contact person in the Project on behalf of the Josip Juraj Strossmayer University of Osijek is Prof. Sanja Lončar Vicković, Ph.D., assistant professor at the Faculty of Civil Engineering.
